NOTICE TO ALL STUDENTS

SUBJECT: MIGRATION TO THE NEW UNIVERSITY ERP SYSTEM

The University has implemented a new Enterprise Resource Planning (ERP) system, APPKINGS, which will now serve as the University's operational ERP platform.

Students are advised that the previous ERP system, ABNO, remains accessible on the University website for purposes of retrieving historical academic and financial information. Consequently, students are advised to take note of this change and use the appropriate system when accessing their information.

For any enquiries or clarification regarding student financial records, fees balances or other related matters, students are encouraged to visit the Student Finance Office for assistance.

Thank you.
